

Summer 2017

We love to gather as a church on Sunday mornings, but we also love to meet in smaller groups.

Our Life Groups meet on Sunday mornings and at other times throughout the week.

Some meet here at the KBC building and others meet in homes.

These are long-term groups that gather to study the scriptures together, care and pray for one another, and enjoy fellowship as we build lasting relationships.

We believe that life is best lived not just in "rows" but in "circles" . . .

looking each other in the eye and walking through life together as a people, as a family.

We invite you to find a group and plug in this week. Groups that meet on Sunday mornings (@9am and 10:45am) are located in the KBC building and you can find the room numbers below.

Other groups meet throughout the week and take place in homes around the community. If you have questions about these groups (regarding location, content, leaders, etc.), please feel free to contact with the KBC Office (783.3146) and we'd be happy to help.
