YOUR PRAYERS MATTER...

We need your prayers. God has appointed not only the financial means to support this church, but also the spiritual means through prayer.

Please continue to pray for the KBC Family as we make much of Christ together in this community and around the world... for the glory of the Father.

I wanted to take just a moment and thank you for your ongoing generosity and the faithfulness with which you continue give in support of the ministries and mission of KBC.

We all know that finances are tight right now. The economy has certainly changed... we can see it at the gas pump, feel it in the grocery store, and certainly it shows up in our personal finances.

That being said, it continues to be a great encouragement to witness the consistency of God's people in this place as you follow the leadership of our King who gave freely of Himself for the good and benefit of others.

Your regular gifts are an outward expression of God's good, heart-level work among us... and for this He deserves all the glory!

So...

- *thank you for holding tightly to the Savior and loosely to the things of this world.*
- *thank you for treasuring the priorities of the Kingdom more than what our current culture holds out as being precious and worthy of our affection.*
- *thank you for the personal sacrifices you and your families make in order to give with joyful/humble hearts.*

- *thank you for helping to resource the ministry efforts of KBC... those that effect this community we call home... and those that reach across this region and around the world.*
- *thank you for believing Jesus when He promises His people that their truest treasure won't be found here on earth, but with Him in the life to come.*

Here at KBC, the Lord continues to do a good work both among, and through us. Thank you again for the part you play in this as you faithfully look to Jesus with joy and contentment in who He is... what He has promised... and what He alone will provide.
