

GIVING UPDATE

Kennewick Baptist Church - 2425 W. Albany Ave - Kennewick, WA 99336

Attached are your 2023 giving records:

1.1.2023-12.31.2023

Thank You

Your generous and faithful gifts allow KBC to continue regular ministry efforts within our church family, throughout our local community, across the region/nation, and around the world.

God loves a cheerful and generous giver (2 Cor. 9:7) and we praise God for the good work He continues to do within and through this local church.

Your Prayers Matter

We need your prayers.

God has appointed not only the financial means to support this church, but also the spiritual means through prayer.

Please continue to pray for the KBC Family as we make much of Christ together in this community and among the nations... for the glory of our good Father.

With another year behind us we once again have many opportunities to reflect on God's goodness, rejoice in His provision, look ahead with great hope, and continue to trust in Christ day-by-day.

I want to thank you for your faithful giving and financial investment in the ongoing ministry taking place at KBC. It's a significant privilege that you would entrust to us the resources the Lord has already entrusted to you.

As we reflect on 2023, I rejoice to tell you we were able to meet and exceed our anticipated church budget, were faithful to resource the regular ministries taking place on a weekly basis within this church, and were blessed to be able to give generously to many causes outside of KBC. All of these are demonstrations of God's kindness to/through His people... and certainly that involves you and your gifts. Thank you!

Specifically, we were able to partner together in the following:

- Continuing to sponsor church planting efforts in Kennewick, the Tri-Cities, and the Northwest.
- KBC's Benevolence ministry was able to help and sustain multiple individuals/families with gifts meant to address specific needs and demonstrate the love/generosity of Christ in tangible ways.
- Your generosity helped us send more than 20 KBCer's to Ecuador this past summer. Nearly half of this team was made up of high school and college students!
- Our church family was able to give away approximately 23% of all financial gifts we received throughout 2023... investing these resources in areas of local, regional, national, and global missions.

There is much to be grateful for. The Lord has been good to us and I'm thankful for each of you and your faithfulness.
