Thank You

Your generous and faithful gifts allow KBC to continue regular ministry efforts within our church family, throughout our local community, across the region/nation, and around the world.

God loves a cheerful and generous giver (2 Cor. 9:7) & we praise God for the good work He continues to do within and through this local church.

Your Prayers Matter

We need your prayers.

God has appointed not only the financial means to support this church, but also the spiritual means through prayer.

Please continue to pray for the KBC Family as we make much of Christ together in this community and among the nations... for the glory of our good Father.

Planning, Process, and Prayer...

As we make our way toward the fall season I wanted to take this opportunity and share with you important details regarding our annual church budgeting process that's currently underway.

As a church family we acknowledge the responsibility of wisely stewarding resources God provides through the faithful, generous giving of His people... and one of the key means of wisdom we seek to use here at KBC is our annual budgeting process.

Let me first say how grateful we are to you and your family for your financial gifts throughout the year. These resources are used to facilitate ministry efforts, pay our staff, maintain our building/property, bless our missions partners, and more. Thank You!

Regarding our budgeting process, this is something the entire church family is invited to participate in. During the summer months your staff/leaders begin drafting budget plans for the year ahead and submit formal requests to our Finance Committee. In addition, the Personnel Committee begins working to make recommendations connected to staff salaries and benefits. All these details are then reviewed in early fall by the pastoral team in cooperation with these two committees. All that to say, it's an involved process flavored with much prayer, planning, input, and review.

Please note the upcoming budget schedule and ways you are invited to pray and participate:

- Finance Committee to review the 2027 draft budget (**September**)
- Finance Committee to finalize the 2027 proposed budget (**October**)
- 2027 proposed budget presented at KBC Business Meeting (**October 25**)
- Time provided for questions and feedback from KBC Family (**November**)
- Finance Committee receiving feedback and making changes (**November**)
- 2027 budget voted on at KBC Year-End Business Meeting (**December 13**)

Again, thank you for your faithful giving to this church family and please continue praying for and participating in the current budgeting process as you're able.
